RELEVANT EXPERIENCE

Serato

Software Engineer - Intern

Dec. 2022 – Feb. 2023

Auckland, NZ

- Collaborated closely with a team to build Serato Visualizer, a video creator for music producers with 1M+ users
- Developed a **JavaScript** (Vue.js) component that accurately identifies and handles drag-and-drop files
- Created a pixel-perfect, responsive download progress page with features like progress bar and image carousel
- Troubleshooted and conducted regression testing on 5-10 bugs per sprint using **Jira** for bug tracking
- Assisted in sprint planning and ensured **CI/CD** for efficient software delivery in a Scrum environment

Power Trip

Web Developer

May. 2022 – Nov. 2022

Wellington, NZ

- Redeveloped company website using **HTML**, **CSS**, and **JavaScript**, reducing bounce rate by over 20%
- Proactively liaised with the CEO to solicit feedback and translated discussions into innovative design solutions
- Produced Figma prototypes and validated design decisions through competitive website analysis and user testing
- Implemented responsive web design and meticulously tested cross-browser and cross-device compatibility

EXTRA CURRICULAR EXPERIENCE

UNSW Digital Society

Careers Director

Oct. 2023 – Dec. 2023

Sydney, NSW

- Coordinated logistics, marketing, and execution of career-related events, such as Product Interview Workshop
- Formed prospective leads with sponsors and external parties, including Atlassian and Training Services NSW
- Actively identified the student body's interests to create events and initiatives that add value to them

Buddy Up

Co-founder

Aug. 2023 – Oct. 2023

Sydney, NSW

- Co-founded Buddy Up, a university-exclusive social platform, through the UNSW New Wave programme
- Ideated, validated, and refined the concept through competitor analysis, market research, and MVP testing
- Translated the start-up's visions and survey insights into **wireframes** and interactive **Figma** prototypes
- Awarded the Faculty of Engineering Award (A\$2,500) and People's Choice Award (A\$1,500) on pitch night

Wellington International Students' Association

Mar. 2021 – Feb. 2023

President

Wellington, NZ

- Facilitated social events to foster connections and cultural exchange between international and local students
- Launched orientation and mentoring initiatives to help new students integrate into the school community
- Led the development of the website and implemented effective **SEO**, boosting online visibility by over 200%
- Awarded New Zealand Girlboss Community Award out of 450+ nominees and featured on The Dominion Post

PROJECT EXPERIENCE

y0 (Why Not) Online Forum

Aug. 2022 – Nov. 2022

Year 13 Digital Technologies Project (First in class)

Wellington, NZ

- Developed a full-stack career resource online forum with a complete login system using **PHP** sessions
- Wrote and optimised database interactions via **SQL** prepared statements, letting users post, edit, search, filter
- Utilised PHP functions to validate input, handle errors, and encrypt sensitive information, protecting user data
- Designed and executed test cases to identify and resolve software defects within features and functionalities
